

HEALTH & SAFETY

Policy

In Girbau, we work together with the people that make up this team to provide a safe environment around the world.

1

#VALUES

Safety is a core value in our organization.

2

#RESOURCES

To achieve the goal of **0 accidents**, we provide the necessary resources and tools such as training or coaching.

3

#EXCELLENCE

We are models of excellence in safety, role models for our co-workers, families and environment.

4

#CONTINUOUS IMPROVEMENT

We always comply with the safety and health laws and regulations in force thanks to a policy of continuous improvement.

5

#CONSULTATION & PARTICIPATION

Safety management decisions will be made taking into account everyone in the organization.
